**Who's Expecting?**

**Rebecca Romijn and Jerry O'Connell**  
 Move over Taco and Better, you're about to get some siblings. Small-screen superstars **Rebecca Romijn (Ugly Betty)** and **Jerry O'Connell (Do Not Disturb)** will be adding twin babies to their two-dog household. The couple, who recently celebrated their **first anniversary, dated for three years** before holding their down-home **nuptials**, which, of course, Taco and Better attended. As O'Connell told People, "Pets are training for kids."

The sexy expecting one hit luxe L.A. baby boutique **Petit Tresor** today with hubby Jerry O'Connell. Rather than stocking up on onesies, the joyful duo indulged in the full collection of decadent **Belli skincare** products for moms-to-be.

Belli's motto is "Embrace life, enhance beauty" and offers everything from stretch mark serums to eye brightening creams.

This, my friends, is how to kick off those nine months in style.
